The authors want to alert readers to the following two errors identified in the published version.

One of the co-authors' name was misspelled. The correct name should have been V Shoumnalieva–Ivanova instead of V Choumnalieva–Ivanova.

At the Results section of the Abstract, the third sentence should read as: “miR-155 was overexpressed in 50% and underexpressed in 7.5% of the patients.”
